Appetizers and Snacks

- You can buy frozen chopped onion or green peppers for a quick recipe shortcut, or since they freeze so well, chop a whole bunch at once and freeze them in single servings.
- When making many meatballs a fast and simple way is to shape the meat mixture into a log and cut off slices. The slices roll easily into balls. Another option is to pat the meat into a square and cut it into cubes which again easily roll into meatballs of uniform size.
- Stop tomato stains on your Tupperware by using with nonstick cooking spray before pouring in tomato-based sauces.
- Strawberries will stay fresher when kept in a colander in the refrigerator. Don't wash until just before using.
- Freeze ripe bananas for later use. First peel, and then wrap tightly in plastic wrap and store in freezer bags.
- Corn on the cob will be simple to shuck if you wash them with cold water, place in a plastic bag and freeze for an hour or so before shucking.
- Freeze lemon peel. Use when a recipe calls for fresh lemon rind.
- Whole lemons will yield much more juice if stored in a tightly sealed jar of water in the refrigerator.
- Dissolve 1 teaspoon unflavored gelatin in a little bit of water and beat it into whipping cream to keep it from turning watery.
- Grind up or dice leftover roast beef, stew meat, etc. Add to scrambled eggs along with cubed leftover potatoes for an easy breakfast.
- Make your own "instant" oatmeal by running regular oatmeal in a blender. Blending makes the oatmeal the same as "instant."

Bacon And Tomato Cups

8 slices bacon
1 tomato, chopped
1/2 onion, chopped
3 ounces shredded Swiss cheese
1/2 cup mayonnaise
1 teaspoon dried basil
1 (16 ounce) can refrigerated buttermilk biscuit dough

Preheat oven to 375F. Lightly grease a mini muffin pan. In a skillet over medium heat, cook bacon until evenly brown. Drain on paper towels. Crumble bacon into a medium mixing bowl, and mix with tomato, onion, Swiss cheese, mayonnaise and basil. Separate biscuits into halves horizontally. Place each half into cups of the prepared mini muffin pan. Fill each biscuit half with the bacon mixture. Bake for 10 to 12 minutes in the preheated oven, or until golden brown.

BBQ Chicken Pizza

3 boneless chicken breast halves, cooked and cubed
1 cup hickory flavored barbecue sauce
1 tablespoon honey
1 teaspoon molasses
1/3 cup brown sugar
1/2 bunch fresh cilantro, chopped
1 (12 inch) pre-baked pizza crust
1 cup smoked Gouda cheese, shredded
1 cup thinly sliced red onion

Preheat oven to 425F. In a saucepan over medium high heat, combine chicken, barbecue sauce, honey, molasses, brown sugar and cilantro. Bring to a boil. Spread chicken mixture evenly over pizza crust, and top with cheese and onions. Bake for 15 to 20 minutes, or until cheese is melted.

Caramel Snack Mix

1/2 cup butter
3/4 cup white corn syrup
1 cup packed brown sugar
1 cup chopped pecans
1 cup almonds
1 (12 ounce) package crispy corn and rice cereal

Preheat oven to 275F. Spray a large roasting pan with non-stick cooking spray. In a medium-size microwave safe bowl, mix butter, white corn syrup and brown sugar. Place the mixture in the microwave and cook 2 minutes, or until butter melts. Place the cereal, pecans and almonds into the prepared roasting pan. Pour the melted butter mixture over the cereal and nuts and mix gently until the cereal and nuts are coated. Bake for 1 hour, stirring every 15 minutes. As the snack mix is cooling, be sure to continue to stir so that the mix will not harden into one big lump.

Cheese & Olive Bruschetta

1/2 cup mayonnaise (or salad dressing)
1 cup mozzarella cheese, grated
2 medium tomatoes, seeded, finely chopped
1/4 cup black olives, chopped
1/4 cup parmesan cheese (preferably freshly grated)
1 teaspoon oregano
1/4 teaspoon basil
1 teaspoon black pepper
1 baguette, fresh, about 2 1/2" round and 27" long
1/3 cup butter, softened

Mix the first 8 ingredients (this can be done the day ahead and refrigerated). Cut the baguette into 1" slices. Butter one side. Arrange on a cookie sheet, buttered side up. Divide the mixture among the slices and spread. Bake in 350F oven for about 15 minutes and the cheese has melted.

Cheese And Artichoke Fondue

1–1/2 cups diced processed American cheese
1 cup milk
1 tablespoon Worcestershire sauce
1 tablespoon all–purpose flour
1 teaspoon ground mustard
1–1/2 cups shredded Cheddar cheese
1 (14 ounce) can artichoke hearts, drained and chopped
1/4 cup roasted red peppers, drained and diced

Mix American cheese, milk, Worcestershire sauce, flour and mustard in a 3–quart saucepan. Cook over medium–low heat, stirring occasionally, until cheese is melted. Stir in Cheddar cheese until melted. Stir in artichoke hearts and bell peppers. Transfer cheese mixture to fondue pot. Keep warm over low flame. Serve with dippers.

Chicken Pate

3 chicken breasts, boneless and skinless
1/2 cup onions, finely chopped
1 (8 oz.) whipped cream cheese
1/4 cup mayonaise
1/2 teaspoon paprika
1/4 cup sherry
1/2 teaspoon cayenne pepper
juice of 1 lemon

Cook chicken breasts in boiling water for 30 – 45 minutes. When cooled cut up chicken into cubes. In medium bowl combine all ingredients. Place mixture into small jello mold or small loaf pan. Make sure to coat pan with oil so mixture will come out smoothly. Refrigerate for at least 8 hours. Serve with crackers.

Chocolate Fondue

8 ounces good quality chocolate
8 ounces heavy whipping cream.
1 shot grand mariner or liqueur of choice.

Heat cream and liqueur in dessert fondue pot on medium heat. Add chocolate and stir until chocolate is melted. Place dessert pot over a tea candle to keep warm. Serve with a seasonal fruit plate, marshmallows and pound cake or cookies.

Cocktail Meatballs

1 pound lean ground beef
1 egg
2 tablespoons water
1/2 cup bread crumbs
3 tablespoons minced onion
1 (8 ounce) can jellied cranberry sauce
3/4 cup chili sauce
1 tablespoon brown sugar
1 1/2 teaspoons lemon juice

In a large bowl, mix together the ground beef, egg, water, bread crumbs, and minced onion. Roll into small meatballs. Bake at 350F for 20 to 25 minutes, turning once. In a slow cooker or large saucepan over low heat, blend the cranberry sauce, chili sauce, brown sugar, and lemon juice. Add meatballs, and simmer for 1 hour before serving.

Crab Stuffed Mushrooms

1 pound large mushrooms
3 tablespoons butter
2 tablespoons finely chopped onion
1 (3 ounce) package cream cheese, softened
2 tablespoons prepared Dijon–style mustard
6 1/2 ounces crabmeat
1/4 cup chopped water chestnuts
2 tablespoons chopped pimento peppers
4 tablespoons grated Parmesan cheese

Preheat oven to 400F. Remove stems from the mushrooms, retaining the caps. Chop the stems. In a medium saucepan, melt the butter. Brush the mushroom caps with melted butter. In the remaining butter, cook and stir the chopped mushroom stems and onions until tender. Gradually mix the cream cheese and mustard into the saucepan. Continue stirring until smooth. Stir in the crabmeat, water chestnuts and pimentos. Heat until warm. Stuff the mushroom caps with the crabmeat mixture. Sprinkle the stuffed caps with Parmesan cheese. In a shallow pan, bake the caps at 400F for 10 to 15 minutes or until hot.

Fruit Salsa And Cinnamon Chips

2 kiwis, peeled and diced
2 Golden Delicious apples – peeled, cored, and diced
1 (8 ounce) package raspberries
1 pound strawberries
2 tablespoons white sugar
1 tablespoon brown sugar
3 tablespoons fruit preserves, any flavor

10 (10 inch) flour tortillas
butter flavored cooking spray
2 cups cinnamon sugar

In a large bowl, thoroughly mix kiwis, Golden Delicious apples, raspberries, strawberries, white sugar, brown sugar and fruit preserves. Cover and chill in the refrigerator at least 15 minutes. Preheat oven to 350F. Coat one side of each flour tortilla with butter flavored cooking spray. Cut into wedges and arrange in a single layer on a large baking sheet. Sprinkle wedges with desired amount of cinnamon sugar. Spray again with cooking spray. Bake in the preheated oven 8 to 10 minutes. Repeat with any remaining tortilla wedges. Allow to cool approximately 15 minutes. Serve with chilled fruit and spice mixture.

Garlic Cheese Bread

Spread:

1/2 cup butter
3/4 cup shredded cheddar cheese
2 tablespoons grated parmesan cheese
1/2 teaspoon garlic powder
1/4 teaspoon Worcestershire sauce
1/4 teaspoon salt
dash ground black pepper
dash paprika

Bread:

12 slices Texas toast or 1 large French bread loaf,
sliced through the middle

Preheat oven to 400F. Combine all ingredients for the spread in a small bowl. Smear spread generously on one side of each slice of Texas toast or on the face of each half of French bread loaf. Bake for 10 to 12 minutes or until cheese begins to brown and bubble. Makes about 12 slices toast or two large halves of French bread.

Honey Nut Huddle Spread

2 tablespoons orange juice
1 tablespoon honey
1 8-oz. package soft cream cheese
1/2 cup raisins
1/4 cup chopped honey-roasted nuts

Blend orange juice, honey and sour cream. Stir in raisins and nuts. Chill for at least one hour. Serve with crackers or potato chips.

Hot Crab Dip

1 (8 ounce) package cream cheese, softened
1/2 cup sour cream
2 tablespoons mayonnaise
1 tablespoon lemon juice
1 1/4 teaspoons Worcestershire sauce
1/2 teaspoon dry mustard
1 pinch garlic salt
1 tablespoon milk
1/4 cup cheddar cheese, grated
1/2 lb. crabmeat
paprika

Remove cartilage from crab meat. In a large bowl, mix cream cheese, sour cream, mayonnaise, lemon juice, Worcestershire sauce, mustard, and garlic salt until smooth. Add enough milk to make mixture creamy. Stir in 2 tablespoons of the grated cheese. Fold crab meat into cream cheese mixture. Pour into greased 1-quart casserole. Top with remaining cheese and dust with paprika. Bake at 325F until mixture is bubbly and browned on top, about 30 minutes. Serve with tortilla chips and/or crackers.

Hot Mexican Spinach Dip

- 1 (16 ounce) jar salsa
- 1 (10 ounce) package frozen chopped spinach, thawed and drained
- 2 cups shredded Monterey Jack cheese
- 1 (8 ounce) package cream cheese, diced and softened
- 1 cup evaporated milk
- 1 (2.25 ounce) can chopped black olives, drained
- 1 tablespoon red wine vinegar
- salt and pepper to taste

Preheat oven to 400F. In a medium baking dish, mix together salsa, chopped spinach, Monterey Jack cheese, cream cheese, evaporated milk, black olives, red wine vinegar, salt and pepper. Bake mixture in the preheated oven 12 to 15 minutes, or until bubbly. Serve with tortilla chips.

Kettle Corn

2/3 cup raw popcorn

1/4 cup oil

1/4 cup sugar

Place oil and popcorn in a large skillet that has a tight fitting lid. The popcorn should barely cover the bottom surface. Heat over medium until the first kernel starts to pop. Quickly stir in the sugar until dissolved. Cover and continuously shake skillet while holding top. Be careful, this will burn much quicker than regular popcorn. When you think all is popped, remove from heat. Spoon the popped corn into a bowl while shaking once in a while to let the uncooked kernels settle. Salt lightly, and break up into pieces. (Note: This may take a little practice, but well worth the effort!)

Mexican Pizza

1/2 lb. ground beef
1/2 teaspoon salt
1/4 teaspoon dried minced onion
1/4 teaspoon paprika
1–1/2 teaspoon chili powder
2 tablespoons water
8 small (6–inch diameter) flour tortillas
1 cup Crisco shortening or cooking oil
1 (16 oz.) can refried beans
1/3 cup diced tomato
2/3 cup mild picante salsa
1 cup shredded cheddar cheese
1 cup shredded Monterey Jack cheese
1/4 cup chopped green onions
1/4 cup sliced black olives

Cook the ground beef over medium heat until brown, then drain off the excess fat from the pan. Add salt, onions, paprika, chili powder and water, then let mixture simmer over medium heat for about 10 minutes. Stir often.

Heat oil or Crisco shortening in a frying pan over medium–high heat. If oil begins to smoke, it is too hot. When oil is hot, fry each tortilla for about 30–45 seconds per side and set aside on paper towels. When frying each tortilla, be sure to pop any bubbles that form so that tortilla lays flat in oil. Tortillas should become golden brown. Heat up refried beans in a small pan over the stove or in the microwave.

Preheat oven to 400F. When meat and tortillas are done, stack each pizza by first spreading about 1/3 cup refried beans on the face of one tortilla. Next spread 1/4 to 1/3 cup of meat, then another tortilla. Coat your pizzas with two tablespoons of salsa on each, then split up the tomatoes and stack them on top. Next divide up the cheese, onions and olives, stacking in that order. Place pizzas in your hot oven for 8–12 minutes or until cheese on top is melted. Makes 4 pizzas.

Raspberry Chicken Wings

- 1 1/2 cups seedless raspberry jam
- 1/3 cup balsamic vinegar
- 3 tablespoons soy sauce
- 1 1/2 teaspoons crushed red pepper
- 1 (5 lb.) pkg. frozen chicken wings, thawed

Preheat oven to 400F. Line a baking sheet with aluminum foil. In a small saucepan, combine jam, vinegar, soy sauce and red pepper over medium heat. Stir until smooth. In a large bowl, toss chicken wings with half of the jam mixture. Place on the baking sheet and bake 50 minutes. Brush wings with remaining jam mixture and bake 8 to 10 minutes or until chicken is no longer pink inside and outside is glazed. Serve immediately.

Reuben Pizza

6 tablespoons Dijon mustard
4 small Bobolis (baked cheese pizza crusts) (two 8-ounce packages)
12 ounces shredded Swiss cheese
12 ounces thinly sliced corned beef
2 2/3 cups drained jar-packed sauerkraut
2 teaspoons caraway seeds

Position rack in center of oven. Place baking sheet on rack and preheat to 450F for 30 minutes. Meanwhile, spread 1 tablespoon mustard on each Boboli. Sprinkle each with 1 1/2 ounces (about 1/3 cup packed) cheese. Arrange 3 ounces corned beef over, folding slices to fit if necessary. Spread 1/2 tablespoon mustard over beef. Arrange 2/3 cup sauerkraut over. Spread 1 1/2 ounces cheese over, pressing to adhere. Sprinkle each with 1/2 teaspoon caraway seeds. Place pizzas on hot baking sheet. Bake until heated through and cheese on top melts and is beginning to color, about 12 minutes.

Six-Layer Mediterranean Dip

8 ounces prepared hummus
1 1/4 sour cream, divided
1/2 teaspoon cumin

Baking and Breads

- For great baking results, keep an oven thermometer in the oven and use it. Oven temperatures regularly vary up to 75 degrees, so this can be a crucial factor.
- For a low fat/low calorie dessert, make sandwiches out of graham crackers and non or low fat frozen yogurt. Prepare a platter in advance, hide them in the freezer and surprise the family ... they'll never know it's healthy!
- Dip a new broom in hot salt water before using. This will toughen the bristles and make it last longer.
- Create your own colored sugar by placing granulated sugar in a plastic bag. Add a few drops of your favorite food coloring and shake to blend. Pour out into a plate and let dry, then use.
- Use greased muffin tins as molds when baking stuffed peppers.
- When baking and you need to "cut in" the butter, an easy way is to keep the sticks of butter in the freezer. When needed, use a cheese grater to grate the butter into fine pieces.
- Try using raw spaghetti instead of toothpicks when securing stuffed chicken breasts and meats. It works great and it's edible!
- To get snowy white potatoes, add a teaspoon of vinegar or fresh lemon juice to the boiling water
- Making noodles is easy by adding an egg to a package of pie crust mix. Mix; roll out, cut, and let dry.
- For a different flavor and less fat, use chicken stock instead of butter or milk when whipping up mashed potatoes.

Authentic Mexican Tortillas

3 cups all-purpose flour
2 teaspoons baking powder
2 teaspoons salt
3/4 cup shortening
3/4 cup hot water

Combine the flour, baking powder, and salt. Either by hand or with a pastry cutter, cut in the shortening till the mixture is crumbly. If the mixture looks more floury than crumbly, be sure to add just one or two more tablespoons of shortening till it is crumbly. Add about 3/4 cup hot water to the mixture, or just enough to make the ingredients look moist. With your hand or a large fork, knead the mixture making sure to rub the dough against the sides of the large mixing bowl to gather any clinging dough. If the dough still sticks to the side of the bowl, add a couple more tablespoons of flour until the dough forms a soft round shape. The dough is ready to roll out now, but it is best to let it rest. Cover it with a dish towel, and let it sit for about an hour or so.

Take the dough, and pull it apart into 10 to 12 balls. Lightly flour your rolling area, and roll each ball with a rolling pin to about 1/8 inch thickness. Place each tortilla on a medium hot cast iron skillet. Cook for about 1 to 2 minutes on each side.

Babka

1 1/4 cups butter or margarine, softened
2 cups milk
1 cake yeast
1/2 cup warm water (110 degrees F)
5 eggs
4 egg yolks
1 cup white sugar
1 teaspoon salt
1 teaspoon vanilla extract
1 tablespoon orange flavored liqueur, optional
grated zest of 2 oranges
grated zest of 1 lemon
9 – 10 cups all-purpose flour
1–1/2 cups currants
1–1/2 cups raisins
1–1/2 cups golden raisins
1 cup chopped slivered almonds
1/2 cup packed brown sugar
1 teaspoon ground cinnamon
1 cup all-purpose flour

Place yeast in a small bowl, and pour warm water over it. Stir with a spoon to break up the yeast. Set aside for 2 to 3 minutes. In a small saucepan, scald milk. Add 1 cup butter or margarine, and stir until melted. Remove from heat, and let cool until lukewarm. In a mixing bowl, beat 4 eggs and egg yolks with an electric mixer with a paddle attachment. Add sugar and salt, and continue to beat until mixture is thick and pale. Add vanilla, orange-flavored liqueur, zests, and yeast mixture. Combine. Beat in 4 cups flour gradually. Add milk mixture alternately with remaining 4 cups flour while beating on medium speed. Add up to an additional 1 cup flour if the dough is sticky. Mix in currants, raisins, golden raisins, and almonds.

Transfer dough to a clean large bowl. Knead using a large wooden spoon until the dough pulls away and doesn't stick to the spoon, about 8 to 10 minutes. Transfer dough to a large buttered bowl, and turn to coat. Cover with plastic wrap. Place in a warm place until dough reaches the top of the bowl, about 1 to 2 hours. Punch the dough down, re-cover the bowl, and allow to rise again.

Butter 3 angel food cake pans. In a small bowl, combine 1 cup flour,

4 tablespoons butter or margarine, brown sugar, and cinnamon to form crumb topping. Sprinkle evenly among the 3 pans. Preheat oven to 350F. Punch the dough down again. Turn out onto a lightly floured surface. Knead for 1 minute. Cut into thirds, and transfer dough to prepared pans. Cover loosely with plastic wrap. Allow to rise to the top of pan. Beat remaining egg, and brush the top of the dough. Bake until golden brown and hollow sounding when tapped, about 30 to 45 minutes. Immediately turn out onto a cooling rack so bread does not stick to the pan. Cool.

Breadsticks

1 Loaf unfrozen bread dough (if frozen, thaw in bowl at room temp)
Pam spray or oil
Granulated Garlic
Dried Oregano

Preheat oven to 350F. When dough is soft enough to knead, spray your fingers with Pam or oil and knead just until you can shape into cigar-sized pieces (about 8 to 10). Place these 3" apart on Pam-sprayed cookie sheets. Let rise in warm place until doubled – about 1-1/2 hours. Then, holding Pam about 8" from sticks, lightly spray top of each and then dust with garlic powder and oregano (crush with fingers). Bake at 375F about 20 to 25 minutes or until golden brown. Cool in pan on rack to serve within a day or two.

Cheese Calzones

1–1/2 cups warm water (105F)
4 1/2 cups flour
1 tablespoon olive oil
2 1/2 teaspoons sugar
2 1/2 teaspoons salt
1/2 teaspoon yeast

In a large bowl, mix water with sugar and salt until dissolved. Add oil, and then flour. Stir with heavy spoon for 1 minute. Turn out to a floured board and press into a circle (it will be quite dry). Sprinkle yeast evenly over dough and knead for twelve minutes. Divide dough into 6 oz. portions (yield for this recipe is 5). Shape each portion by sliding your palms across the top portion of dough while curving your fingers inward toward each other and "tucking" the dough into the center. You want a dough ball without visible seams except the bottom. Set all on plate, cover with plastic, and allow to proof for 1–2 hours.

Meanwhile, mix:

1 lb. ricotta cheese
1 cup shredded mozzarella
pinch of black pepper

Preheat oven to 500F. Take a dough ball and place on floured surface. Spread, with finger tips, to a 6 inch circle. Place 2/3 cup cheese mix on one side and fold over other side. Seal with finger tips making sure no cheese mixture is in the seal. Pinch the edge to assure a tight seal. Pat calzone to even filling inside. Check seal again for leaks. Repeat with the others. Place calzones on a lightly greased baking sheet. Cut a 1 inch slit in the top of each for venting while baking. Place in center of oven and bake for 10–12 minutes or until golden brown. Serve with your favorite tomato sauce, warmed, either on top or on the side for dipping.

1/2 cup dried cranberries
1–1/2 cups pistachio nuts

Preheat the oven to 300F. In a large bowl, mix together oil and sugar until well blended. Mix in the vanilla and almond extracts, then beat in the eggs. Combine flour, salt, and baking powder; gradually stir into egg mixture. Mix in cranberries and nuts by hand. Divide dough in half.

Form two logs (12x2 inches) on a cookie sheet that has been lined with parchment paper. Dough may be sticky; wet hands with cool water to handle dough more easily. Bake for 35 minutes in the preheated oven, or until logs are light brown. Remove from oven, and set aside to cool for 10 minutes. Reduce oven heat to 275F. Cut logs on diagonal into 3/4 inch thick slices. Lay on sides on parchment covered cookie sheet. Bake approximately 8 to 10 minutes, or until dry; cool.

Turn the dough out onto a floured surface and knead for a few quick turns just to even out the dough. Handle the dough as little as possible. Pat into a flat circle, and place into the prepared pan. Bake the bread for 40 to 45 minutes in the preheated oven, or until the edges are golden.

BBQ and Grilling

- Keep a small plastic bag in your can of vegetable shortening. When it comes time to grease a pan, just slip your hand in the bag, scoop out what you need and spread it on the pan.
- Fresh ginger will last longer by storing it in a pot of sand.
- When making potato salad, add the dressing to warm potatoes for the best flavor. Once cooled, the potatoes will not absorb the dressing as well.
- Dried out coconut can be revitalized by sprinkling with milk and letting it stand for about ten minutes.
- Sprinkle some pumpkin pie spice inside your Jack O'Lantern to give the air a spice aroma!
- Sprinkling French toast with sesame seeds prior to cooking provides a crunchy taste.
- Don't have a roasting pan? Make a rack out of vegetables like celery, carrots and onion and place your chicken, turkey or roast on top. The excess fat drips away from the meat and your pan drippings will be more flavorful.
- Slide a strand of unwaxed dental floss—one end wrapped around the forefingers of each hand—under fresh cookies to unstick them from a cookie sheet. Floss also makes a clean cut through a cake for layering. No more crumbly edges!
- For extra smooth, well-mixed oil and vinegar salad dressing: Combine all ingredients in a screw top jar, add an ice cube and shake – then discard what's left of the ice cube.

4 (10 ounce) beef rib eye steaks

In a medium size mixing bowl, combine soy sauce, maple syrup, chopped garlic, grated ginger root, sesame oil, Tabasco sauce, and mix well to blend. Now add beer and stir lightly to mix. Prepare steaks by scoring any fatty outside areas on steak with a knife, (this prevents the steaks from curling when barbecuing). Place steaks in a casserole dish and pour marinade over. Using a fork, punch holes in steaks so that the marinade penetrates into the steaks. Turn steaks over and repeat punching holes. Cover with clear wrap or foil and let marinate in the refrigerator for at least 1 hour or longer. You can also refrigerate and marinate overnight.

Cover with plastic wrap and refrigerate for at least 24 hours, turning every now and then. Remove from the fridge about an hour before grilling in order to return lamb to room temperature. Remove lamb from marinade and sprinkle generously with salt and fresh cracked pepper. Grill the lamb on the center of the barbecue grill for about 17 minutes over a medium heat for medium rare, 23 minutes for medium. Don't worry about the flare-ups as it will give the lamb a delicious, crispy skin. Turn the meat only once and cook for another 17 to 23 minutes, depending on desired doneness. Meats – Beef

- Use a 1–1/2 inch natural bristle paintbrush dipped in melted margarine or oil to grease muffin tins, cookie sheets or cake and bread pans. It's much faster than using a skimpy pastry brush.
- If you put onions in the freezer 15 minutes before you chop them, you'll reduce the spray of vaporized onion oils – which means your eyes won't tear when you cut the onions.
- To prevent cream whipped ahead of time from separating, add one quarter teaspoon of gelatin to each cup of cream during whipping.
- A jar lid or a couple of marbles in the bottom half of a double-boiler will rattle when the water gets low and warn you to add more before the pan scorches or burns.
- When mincing garlic, sprinkle on a little salt so the pieces won't stick to your knife or cutting board.
- If your cake recipe calls for nuts, heat them first in the oven, then dust with flour before adding to the batter to keep them from settling to the bottom of the pan.
- Noodles, spaghetti and other starches won't boil over if you rub the inside of the pot with vegetable oil.
- Brown gravy in a hurry with a bit of instant coffee straight from the jar... no bitter taste, either.
- To hasten the cooking of foods in a double boiler, add salt to the water in the outer boiler.
- No "curly" bacon for breakfast when you dip it into cold water before frying.

Meats – Pork and Lamb

- A dampened paper towel or terry cloth brushed downward on a cob of corn will remove every strand of corn silk.
- Fresh eggs' shells are rough and chalky; old eggs are smooth and shiny.
- When working with dough, don't flour your hands; coat them with olive oil to prevent sticking.
- Use a gentle touch when shaping ground beef patties. Overhandling will result in a firm, compact texture after cooking. Don't press or flatten with spatula during cooking.
- Never heat pesto sauce – the basil will turn black and taste bitter.
- Butter pie pastry scraps: sprinkle with cinnamon and sugar, and bake like cookies.
- When slicing a hard boiled egg, try wetting the knife just before cutting. If that doesn't do the trick, try applying a bit of cooking spray to the edge.
- Rescue stale or soggy chips and crackers: Preheat the oven to 300F. Spread the chips or crackers in a single layer on a baking sheet and bake for about 5 minutes. Allow to cool, then seal in a plastic bag or container.
- The best way to store fresh celery is to wrap it in aluminum foil and put it in the refrigerator—it will keep for weeks.
- Microwave a lemon for 15 seconds and double the juice you get before squeezing.

Honey Barbeque Riblets

Barbeque Sauce:

1 cup ketchup
1/4 cup water
1/2 cup honey
1/2 cup corn syrup
1/4 cup apple cider vinegar
2 teaspoons garlic powder
1 teaspoon onion powder
2 tablespoons molasses
2 teaspoons dry mustard
1 teaspoon chili powder
1/4 teaspoon liquid smoke flavor

Combine all ingredients in saucepan and simmer for 20 minutes.

Riblet (Rib) Preparation:

For rib tips ("riblets") and full racks, first season ribs with salt, pepper and garlic to taste. Then, sear the ribs on the grill/broiler until both sides are mahogany in color and the meat has begun to pull away from the bone (155F internal temperature). Place ribs on rack in deep pan/roaster. Cover bottom of pan with mixture of water and liquid smoke flavoring (4:1 ratio of water to liquid smoke) without mixture touching the ribs (it will make them bitter). Seal tightly with two layers of foil wrap to cover. Slow cook in 275F oven until meat is tender. Time varies with how many ribs are being cooked, pan used and your oven temperature. Plan on anywhere from two to five hours, but check to be sure. The slower, the better for this process. Just make sure an internal food temperature of 155F is maintained. When ribs are fully cooked and tender, remove from oven and finish off on grill/broiler until marrow in the bone tips "sizzles." Brush with Honey Barbeque Sauce just before removing for service.

Leg Of Lamb With Lemon–Mint Sauce

1 bone–in lamb leg (about 5 lb.)
14 cloves garlic
2 tablespoons each – dried oregano and rosemary
1/3 cup olive oil
1 cup red wine
grated lemon zest
1 cup fresh lemon juice
1/2 teaspoon salt
1/4 teaspoon pepper

Dry lamb well. Finely chop 8 cloves garlic and place in a glass dish or sturdy plastic bag large enough to hold the lamb. Stir in 4 teaspoons each of oregano and rosemary, 1/4 cup of oil, wine, zest and lemon juice. Place lamb in marinade, turning to coat well on all sides; cover and refrigerate overnight. Crush remaining 6 cloves of garlic and stir together with remaining 2 teaspoons each oregano and rosemary. Remove lamb from marinade and pierce in several places with the tip of a sharp knife. Rub garlic–herb mixture over lamb, pressing into incisions. Coat with remaining oil and sprinkle with salt and pepper. Place on a rack in a shallow roasting pan. Roast, uncovered, in 375F oven for 1 hour and 45 minutes or until thermometer registers an internal temperature of 130F. Cover loosely with foil and let rest for 10 minutes before carving.

Lemon–Mint Sauce:

1/4 cup water
2 tablespoons granulated sugar
1/4 cup minced fresh mint leaves
1 teaspoon grated lemon zest
1/4 cup fresh lemon juice

In small saucepan, bring water and sugar to a boil, stirring until sugar is dissolved. Remove from heat; stir in mint, lemon zest and lemon juice. Cover and let stand for 30 minutes at room temperature before serving.

Pork Tenderloin With Bernaise Sauce

1 pound pork tenderloin
1 tablespoon vegetable oil
1 tablespoon butter or margarine
Freshly ground pepper
1/4 cup water
1/4 cup red wine

Bernaise Sauce:

1/2 teaspoon tarragon leaves, dry
1/2 teaspoon shallot, minced
2 teaspoons red wine vinegar
1/4 cup white wine
4 Egg yolks, large
4 teaspoons water
2 teaspoons fresh lemon juice
1/8 teaspoon hot pepper sauce
8 oz. butter, unsalted, melted and separated
salt and pepper, to taste

Combine oil and 1 tablespoon butter in a heavy skillet over medium heat; stirring to mix as butter melts. Add tenderloin and cook until brown on all sides, turning occasionally. Sprinkle with freshly ground pepper. Add water and red wine to skillet. Cover tightly and cook over low heat for 12–15 minutes or until done. Set aside and keep warm.

Prepare tarragon reduction by placing tarragon leaves, shallot, red wine vinegar and white wine in a saucepan. Bring to a simmer over medium heat. Reduce heat and continue to simmer until "sec" or dry. Remove from heat and reserve. Melt butter over low heat in saucepan. Cool slightly. Skim foam from top of melted butter. Using a small ladle, carefully remove clear butter from saucepan, leaving remaining "milky" liquid to discard. Reserve clarified butter. Prepare a double boiler by placing a stainless steel bowl over a pot of lightly simmering water. Do not let bottom of the bowl touch the water. Add egg yolks, water and lemon juice, whisk vigorously until mixture thickens and turns pale yellow. Remove bowl from the pot. Add the clarified butter slowly while whisking vigorously until all the butter is incorporated. Whisk in tarragon reduction and hot pepper sauce. Season with salt and fresh ground black pepper. Serve on the side with sliced pork tenderloin.

Toad-In-The-Hole

8 ounces pork sausage breakfast links (about 16 sausages)
1 tablespoon vegetable oil
1 1/4 cups milk
4 large eggs
Scant 1/2 teaspoon salt
1-1/2 cups all-purpose flour.

1. Heat oven to 450F. Place sausages in a baking dish about 9 inches square by 3 inches deep. Rub sausages with oil, and oil bottom and sides of pan as well. Bake until lightly browned, about 15 minutes.
2. Meanwhile, whisk together milk, eggs and salt in a mixing bowl, and set aside. When sausages are nearly ready, add flour to milk mixture and mix until smooth.
3. Transfer sausages to a plate and set aside. Pour just enough batter into hot pan to cover the bottom. Return to oven and bake until batter is set, about 5 minutes. Arrange sausages evenly across top of batter, and quickly pour in rest of batter.
4. Return pan to oven and bake until batter billows up around sausages and has a crusty top, about 25 minutes. Cut into squares and serve immediately, because the crust will sink as it cools.

Meats – Poultry

- A Perfect Pastry Crust? In your favorite recipe, substitute a 4:1 ratio of lard:butter.
- To make your own corn meal mix: combine 1 cup corn meal, 1 cup all-purpose flour, 1/2 teaspoon salt, and 4 teaspoons baking powder. You can store it in a tightly covered container for up to 6 months.
- It's important to let a roast -- beef, pork, lamb or poultry -- sit a little while before carving. That allows the juices to retreat back into the meat. If you carve a roast too soon, much of its goodness will spill out onto the carving board.
- Microwave garlic cloves for 15 seconds and the skins slip right off.
- To slice meat into thin strips, as for Chinese dishes – partially freeze and it will slice easily.
- A roast with the bone in will cook faster than a boneless roast – the bone carries the heat to the inside of the roast quicker.
- For a juicer hamburger add cold water to the beef before grilling (1/2 cup to 1 pound of meat).
- To keep cauliflower white while cooking – add a little milk to the water.
- Let raw potatoes stand in cold water for at least half an hour before frying to improve the crispness of french-fried potatoes.
- Buy mushrooms before they "open." When stems and caps are attached snugly, mushrooms are truly fresh.

Baked Chicken And Mushrooms

4 tablespoons butter or oil
1 teaspoon paprika
1/4 teaspoon thyme
1 teaspoon salt
1/4 teaspoon pepper
1 broiler–fryer chicken, cut up or 2 1/2 lbs chicken thighs
1/4 cup flour
3/4 cup dry white wine
2 cups sliced fresh mushrooms

Melt butter in 13" X 9" baking pan. Stir in thyme, paprika, salt, and pepper. Dredge chicken pieces in flour, then swish in butter (both sides), until coated. Arrange them in a baking dish. Bake in hot oven (400F) until browned, about 30 minutes. Reduce heat to 350F, turn over chicken pieces, and add mushrooms and wine. Cover dish with foil and continue baking about 30 minutes longer.

Boneless Buffalo Wings

1 cup all-purpose flour
2 teaspoons salt
1/2 teaspoon black pepper
1/4 teaspoon cayenne pepper
1/4 teaspoon paprika
1 egg
1 cup milk
2 chicken breast fillets
4–6 cups vegetable oil
1/4 cup Crystal or Frank's Louisiana hot sauce
1 tablespoon margarine

Combine flour, salt, peppers and paprika in a medium bowl. In another small bowl, whisk together egg and milk. Slice each chicken breast into 6 pieces. Preheat 4–6 cups of vegetable oil in a deep fryer to 375F. One or two at a time, dip each piece of chicken into the egg mixture, then into the breading blend; then repeat the process so that each piece of chicken is double-coated. When all chicken pieces have been breaded, arrange them on a plate and chill for 15 minutes. When the chicken is done resting, drop each piece into the hot oil and fry for 5–6 minutes or until each piece is browned. As chicken fries, combine the hot sauce and margarine in a small bowl. Microwave sauce for 20–30 seconds or just until the margarine is melted, then stir to combine. You can also use a small saucepan for this step. Just combine the hot sauce and margarine in the saucepan over low heat and stir until margarine is melted and ingredients are blended. When chicken pieces are done frying, remove them to a plate lined with a couple paper towels. Place the chicken pieces into a covered container such as a large jar with a lid. Pour the sauce over the chicken in the container, cover, and then shake gently until each piece of chicken is coated with sauce. Pour the chicken onto a plate. Serve with bleu cheese dressing and sliced celery on the side.

1 tablespoon garlic powder

3 tablespoons hickory smoke flavoring

1/4 cup white cooking wine

1/4 cup vegetable oil

1/2 teaspoon salt

1/2 teaspoon black pepper

2 tablespoons vinegar

Combine all ingredients in a bowl. Marinate meat in covered bowl or plastic bag for at least 2 hours.

Marinate chicken as shown above, or follow directions on package if using pre-packaged marinade. While chicken is marinating, slice onions and mushrooms and cook your bacon. Saute mushrooms and onions in butter and hickory smoke flavor for 3 to 5 minutes, or until onions are transparent but not brown and mushrooms are tender. Remove chicken from marinade, and grill for about 10 minutes. Do not overcook chicken!!! While grilling, preheat oven on broil. After chicken is done, remove from grill and place in a shallow baking dish. Cover each breast with a strip of bacon, then provolone cheese, then some sauteed onions and mushrooms. Broil for 3 to 5 minutes, or until cheese is bubbly.

Pasta

- Lettuce keeps better if you store in refrigerator without washing first so that the leaves are dry. Wash the day you are going to use.
- Do not use metal bowls when mixing salads. Use wooden, glass or china.
- Stuff a miniature marshmallow in the bottom of a sugar cone to prevent ice cream drips.
- To keep potatoes from budding, place an apple in the bag with the potatoes.
- Don't throw out all that leftover wine: Freeze into ice cubes for future use in casseroles and sauces.
- If you have a problem opening jars: Try using latex dishwashing gloves. They give a no-slip grip that makes opening jars easy.
- Add a little lemon and lime to tuna to add zest and flavor to tuna sandwiches. Use cucumbers soaked in vinegar and pepper in sandwich instead of tomatoes. Use mustard instead of mayo to cut the fat and add a tang.
- Instead of the water your recipe calls for, try juices, bouillon, or water you've cooked vegetables in. Instead of milk, try buttermilk, yogurt or sour cream. It can add a whole new flavor and improve nutrition.
- Steak Sauce With A Kick: Deglaze your frying pan (after searing your New York steaks) with brandy. Add two tablespoons of butter, a little white wine and a splash of Grand Marnier. Serve over steaks – you'll never use steak sauce again.

Dijon Chicken Pasta

Dijon Pasta Sauce:

1 clove garlic, pressed
1/2 teaspoon olive oil
1 cup strained fat-free yogurt*
2 tablespoons cornstarch
1 cup evaporated skim milk
1/4 cup fat-free milk
2 teaspoons Grey Poupon Dijon mustard
2 tablespoons grated Parmesan cheese
1/4 teaspoon salt
dash ground black pepper
1–1/2 tablespoons fresh parsley, chopped

* make the strained yogurt by pouring a large container of plain yogurt into a coffee filter placed in a metal steamer basket or strainer. Overnight, the liquid whey will drain from the yogurt, leaving a thick, cheeselike substance in the strainer. Measure this thick stuff for the recipe and toss out the liquid.

Chicken Spice Blend:

2 teaspoons salt
1 teaspoon paprika
fat-free butter-flavored spread or spray
4 skinless chicken breast fillets
1/2 teaspoon dried thyme
dash or two ground black pepper
1 pound package penne pasta
3 to 4 quarts water

Garnish:

1 small tomato, diced
fresh parsley, chopped

Preheat barbecue or stovetop grill to medium/high heat. Prepare pasta sauce by first sautéing the pressed garlic in the olive oil in a medium saucepan. Sauté only for a minute or two over medium heat. Do not let the garlic brown or it will become bitter. Remove pan from heat. Combine strained yogurt with cornstarch in a medium bowl. Add evaporated milk, fat-free milk, and mustard, and mix. Pour mixture into saucepan and place it back over heat. Add Parmesan cheese, salt and pepper, and stir. When sauce thickens, add parsley and turn heat to low, stirring often. As sauce cooks, prepare the

chicken by combining all of the spice blend ingredients in a small bowl. Rub a light coating of butter-flavored spread or spray over each breast, and sprinkle some of the spice blend over both sides of each chicken breast. Cook the chicken on the grill for 4 to 5 minutes per side. Turn the chicken at a 45 degree angle halfway through the cooking time on each side, so that you get crisscrossed grill marks on the surface. While chicken is grilling, prepare pasta by bringing 3 to 4 cups of water to a boil in a large pan. Add pasta to the water and cook for 12 to 15 minutes or until pasta is tender. Strain. Divide strained pasta into four portions on four plates, and pour a generous portion of the sauce over the pasta. Sprinkle some diced tomato over the pasta on each plate. Sprinkle some additional fresh parsley over the pasta. Slice each chicken breast across the grain, and arrange each sliced breast on top of the pasta on each plate, being careful to retain the shape of the chicken breast as you position it.

Seafood and Fish

- When browning ground meat, brown several pounds and drain. Divide evenly in freezer containers and freeze. Unthaw in microwave for quick fixing next time.
- Ground spices really should be replaced every 6 months or so! Unless you know you will use them up fairly quickly, buy a bottle in partnership with a friend and split the contents. You'll each benefit from fresh spices.
- Sunlight doesn't ripen tomatoes, warmth does. Store tomatoes with stems pointed down and they will stay fresher, longer.
- Place green fruits in a perforated plastic bag. The holes will allow air to circulate while retaining the ethylene gas that fruits produce during ripening.
- Marshmallows won't dry out when frozen.
- Poke a hole in the middle of the hamburger patties while shaping them. The burgers will cook faster and the holes will disappear when done.
- For fluffier, whiter rice, add one teaspoon of lemon juice per quart of water. To add extra flavor and nutrition to rice, cook it in liquid reserved from cooking vegetables.
- Cheese won't harden if you butter the exposed edges before storing.
- Sausage patties rolled in flour before frying won't crack open during cooking.
- Two drops of yellow food coloring added to boiling noodles will make them look homemade.

2 garlic cloves, very finely minced
1/4 cup freshly grated Parmigiano cheese

Put the basil, pine nuts, and salt in a food processor or blender and process steadily while you add the oil in a thin but constant stream. When the sauce is the right consistency, transfer it to a bowl and, using a spatula, fold in the grated cheese. (If you're using a mortar, just continue to work in the cheese with the pestle.) Side Dishes

- When separating eggs, break them into a funnel. The whites will go through leaving the yolk intact in the funnel.
- Fresh fish freeze well in a milk carton filled with water.
- Make your own celery flakes. Just cut and wash the leaves from the celery stalks; place them in the oven on low heat or in the hot sun until thoroughly dry. Crumble and store in an air-tight container.
- When picking a melon, smell it for freshness and ripeness. Check to see that the fruit is heavy in weight and that the spot on the end where it has been plucked from the vine is soft.
- When tossing a salad with a basic vinaigrette, always make the vinaigrette at least 1/2 hour ahead of time and let the mixture sit to allow the flavors to marry. Pour the vinaigrette down the side of the bowl, not directly on the greens, for a more evenly dressed salad.
- For the perfect boiled egg, cover eggs with cold water and a pinch of salt. Bring the water to a full boil. Remove the pan from the heat and cover. Let the eggs sit for 8–9 minutes. Drain the water and place the eggs in ice water to cool to stop the cooking process.
- When braising meat, cook it at a low temperature for a long time to keep the meat tender and have it retain all the juices.
- When cooking any kind of strawberry dessert, add a splash of aged Balsamic vinegar to the recipe to enhance the flavor of the strawberries.

Salads

- For fresh flavor in orange juice add the juice of one lemon.
- Tenderize pot roast or stewing meat by using two cups of hot tea as a cooking liquid.
- When making roux for a recipe, make extra and keep in the refrigerator for future use.
- Chefs pound meat not to tenderize the meat, but to help even the meat so it cooks evenly.
- To remove egg shells from a batter, use the remaining shell to attract the piece.
- Chilled cookie dough cooks better than room temperature dough.
- If an egg is accidentally dropped on the floor, sprinkle it heavily with salt for easy clean up.
- For Safety's sake: Clams, mussels and oysters should not be eaten if their shells remain closed after cooking. Fresh seafood should be eaten within three days of purchase.
- Check the accuracy of your meat thermometer by submerging several inches of the wand into boiling water. It should register 212F.
- Never waste money on "cooking" sherry. It's salted. Always buy the wines you cook with as carefully as you buy the wines you drink.
- Wine corks contain tannin. Drop one into a pot of stew to tenderize the meat.
- Always start with cold tap water when cooking. It has fewer mineral deposits than hot water.

Soups

- A solution of 1 tablespoon baking soda to 1 quart warm water will remove most "off" odors from plastic storage containers. Simply give them a thorough dip in the soda solution, rinse with fresh water, and dry.
- Save all kinds of leftover bread, bagels, baguettes, sandwich loaves, rolls, crackers, biscuits, and buzz to very fine crumbs in the food processor. Freeze in self-sealing plastic bags and use for stuffings and toppings.
- To keep milk past its expiration date add salt. A pinch of salt in a gallon will do it. The salt slows the rate of bacteria growth.
- When broiling at home (i.e. using an oven that has a broil setting), be sure to leave the door open a little bit, otherwise your oven will contain too much heat and your food will overcook.
- To hull strawberries, use a sturdy plastic straw. Push it up through the bottom of the strawberry and through the top. It does a great job quickly and neatly. The berries look excellent if you want to leave them whole.
- At your next party, chill your canned and bottled beverages by putting in top load washer and covering with ice. After you have removed all the drinks just spin out the water.
- A high quality hard boiled egg slicer makes easy work of slicing mushrooms for sauces or salads; it will also slice strawberries and peeled kiwi fruits perfectly.
- To make deviled eggs with no mess put egg yolks from hard boiled eggs in a plastic sandwich bag. Add remaining ingredients, close bag and mix. When finished cut small tip off corner of bag and squeeze into hollowed egg white, then simply throw away the bag.

Desserts

- Core apples easily by cutting them in half, then scooping out the core with a melon baller.
- Remove cooking odors by simmering a solution of vinegar and water on the stove. The vinegar will absorb the odor.
- Make giant ice cubes for the punch bowl by filling muffin tins instead of conventional ice trays. Run hot water on the bottom to loosen when frozen.
- A batter made with baking soda should be put into the oven as soon as possible after baking as the leavening action starts to take effect immediately upon contact with liquids.
- Test baking soda for freshness by pouring 1/2 teaspoon vinegar or lemon juice over the baking soda. If it doesn't actively bubble, it's too old to be effective.
- If you have a recipe that uses just egg whites, you can refrigerate the yolks for later use by storing them, unbroken, in a small bowl, covered with cold water for up to two days.
- To tame the heat in hot peppers, remove the seeds (which carry a lot of heat). You can also soak the peppers in sugar water for about an hour to put out even more of the fire (especially helpful when making stuffed peppers). Use 2 cups water to 2 tablespoons sugar.
- Save money on chocolate! Shop the after holiday sales (Christmas, Valentine's Day, Easter, Mother's Day, Halloween, etc.) when seasonal candies are often marked down by 50% or more.

While processing, drizzle in ice water until a dough ball forms. Pour into a bowl; toss with cheeses. Pour onto plastic wrap; form dough into a ball. Wrap tightly and chill 1 hour. For a top crust, double the recipe. Toss apples with cinnamon, brown sugar and 1 Tbsp. flour until evenly coated. Pour mixture into pie crust; top with butter. Place puff pastry on a large baking sheet. Use a sharp knife to lightly score a half-inch border; do not cut all the way through. (This will allow a frame of pastry to rise above the apple filling.) Refrigerate until needed. Pat apples dry, and cut each half into quarters. Slice each quarter thinly. Remove pastry from refrigerator, and sprinkle with 1 tablespoon sugar. Working inside scored lines, place neat rows of closely overlapping apples, until pastry is covered. Brush apples with melted butter, and sprinkle with remaining sugar.
